

REACH Medical / Project Job Posting

Nurse Practitioner

Position Title: Nurse Practitioner

Position Goals and Role:

A full time Nurse Practitioner will provide care at REACH in Ithaca.

REACH provides low-threshold, harm reduction-oriented primary care in a multi-disciplinary, integrated practice to further the REACH mission of ensuring health equity to all who typically face stigma in the current healthcare system.

Examples of Responsibilities:

- Provide primary care, opiate replacement medication, and / or Hepatitis C treatment to patients at REACH in Ithaca.
- Deliver collaborative, accessible, and high quality care.
- Attend REACH staff meetings and daily huddles.
- Abide by high standards of care for:
 - Delivering care that is truly equitable and stigma-free
 - REACH clinical guidelines
 - Medical billing.
 - Timely, high quality electronic medical record documentation.
 - Team based care.
- Share after-hours call responsibilities with other REACH providers.

Qualifications:

- Unrestricted current licensure as New York State Nurse Practitioner.
- Demonstration of both significant experience in and commitment to providing care to underserved populations in the provision of harm reduction-based, trauma-informed, low threshold care without stigma.

- Solid communication skills and ability to work well within a multidisciplinary environment.
- Deep understanding and belief in harm reduction, health equity, diversity and inclusion.

REACH is dedicated to health equity and we are committed to hiring and developing well-qualified staff who reflect the racial, ethnic, social and cultural diversity of the people we wish to serve. People of color, people with LGBTQ identities, individuals with lived experience and people with disabilities are encouraged to apply.

Benefits:

- The position offers a competitive salary and benefits.
- National Health Service Corps LoanRepayment Site.
