

REACH Medical Job Posting

Posted 4/11/23

Position Title: Social Worker, LCSW - REACH Medical seeks a full time LCSW

Position Goals and Role:

- Serve as a clinical provider as part of the REACH Behavioral Health team, an integrated service for patients who have been historically stigmatized or marginalized within traditional healthcare settings.
- Support patients in delivering on-demand, crisis, and/or scheduled counseling services to patients with behavioral health needs.
- Serve as clinical supervisor for LMSWs and other behavioral health staff at REACH and REACH-affiliated sites.
- Provide culturally competent and trauma-informed patient screenings and conduct timely biopsychosocial assessments and social histories, assess clients for substance use, mental health support systems, needs, physical and emotional functioning, stability, and self-management.
- Develop, implement, and monitor timely, complete and accurate treatment plans that adhere to self-determination and patient-centered choices.
- Provide timely crisis management services, advocacy and or case management referral services.
- Adhere to timely and regular, high quality documentation utilizing an electronic medical records system related to patient progress notes, patient intakes, social histories, and care/treatment goals.
- Participate in multidisciplinary team meetings and community committees and/or boards.
- Provide staff training as needed and appropriate.
- Provide 40% administrative time; facilitating weekly behavioral health team meetings for patient case reviews
- Provide weekly 1:1 clinical supervision meetings with staff LMSW positions
- Other tasks as assigned by supervisor

Qualifications:

- Licensed in NYS as a LCSW/LCSW-R with appropriate experience to provide billable individual and group therapy services.
- 2-3 years of experience in Harm Reduction based clinical settings
- Experience with and strong commitment to Drug User Health, Harm Reduction, and interdisciplinary, collaborative care settings and trauma informed care.
- Exceptional communication skills for work with both patients and collaborating colleagues.

REACH is dedicated to health equity for all patients. We are equally committed to hiring well-qualified staff who reflect the racial, ethnic, social and cultural diversity of the people we wish to serve. People of color, people who identify with the LBGTQIA++ community, people with lived experience, and people with disabilities are particularly encouraged to apply. Successful applicants will be able to demonstrate based on experience and/or aspirational commitment, their commitment to harm reduction, health equity and providing care to underserved populations.

The salary range for this position is: \$25.00 - \$44.99/hour.
